## OUR NEW FREDERICK MEDICAL CENTER

### We aspire to a single goal

To improve our members' total health and well-being by providing quality care that supports the mind and body. We are excited to announce we will soon expand this care to our members in the Frederick, Maryland area.\*

### Where

The Frederick Medical Center is visible from I-270 and located near busy retail and commercial developments. The center is located at:

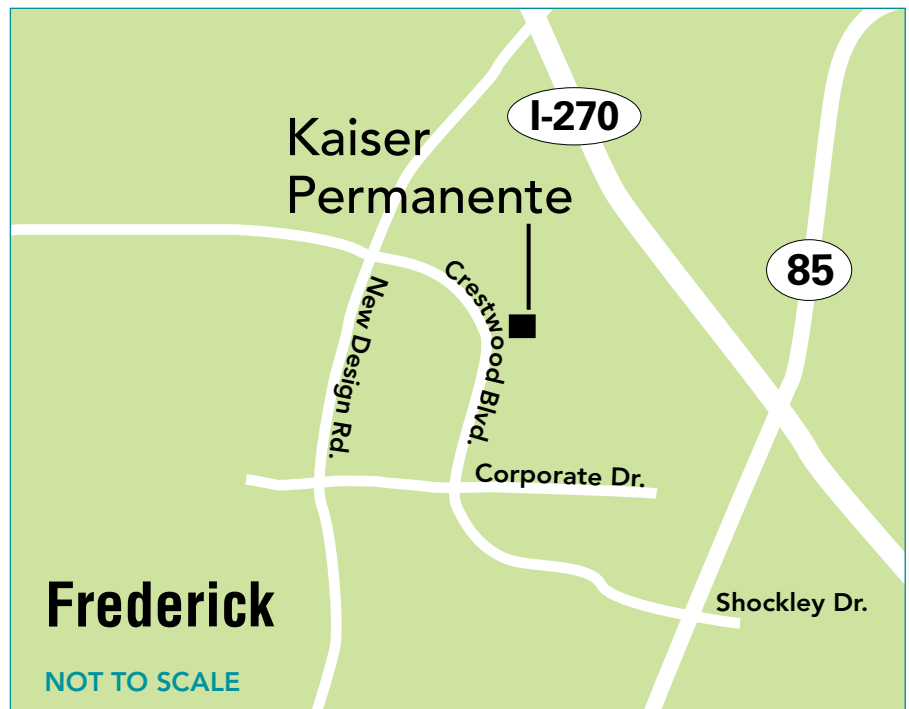

7190 Crestwood Boulevard  
Frederick, MD 21703

### When

We plan to open the Frederick Medical Center in December 2006.

### Planned medical services

- Internal medicine
- Pediatrics
- Obstetrics and gynecology
- Laboratory and pharmacy

Specialties may include dermatology, allergy, general surgery, orthopedics, and behavioral health. For more information about Kaiser Permanente, please visit our Web site at [kaiserpermanente.org](http://kaiserpermanente.org).

\*To enroll, you must live or work in our service area.

## coming in 2006
